

## *An adventure of a lifetime!!!*

Join us for a real adventure as we re-create a pilgrimage from 500 years ago!

Hundreds of thousands of pilgrims walk to Santiago de Compostela each year – they typically fly to France or Spain and then walk their chosen Camino route. We are going to do it differently – we will:-

**Walk a short pilgrim route in the UK finishing at the chosen port**

**Sail in a tall ship to A Coruña in Northern Spain**

**Walk the Camino Ingles from A Coruña to Santiago**

The aim is for this to take place early Summer 2024 (tbc) and **plans are being developed now.**

(budgetary cost for week on ship circa £1,500 pp – deposit required to confirm booking)
